01.

A New Order of Excellence Set. And the City Was Never the Same.

In Bengaluru, an unprecedented vision found a city worthy of its ambition. What began with Mr. PNC Menon's unwavering belief in exacting quality became a force that altered the measure of Indian real estate excellence. In its wake came a new standard of craftsmanship, one that is uncompromising, and it gave luxury an altogether finer meaning.

SOBHA's Bengaluru journey has remained one of its defining chapters. It began in 1996 with its maiden project, SOBHA Oman Topaz, in Bellandur. What followed was ascension that defined the city's aspirational landscape.

Across three decades, SOBHA has crafted an extraordinary pan-India legacy of over 100 projects in Bengaluru alone, through premium residences, presidential villas, expansive row houses, limited edition duplexes, themed communities, and landmark commercial developments.

SOBHA

This city became SOBHA's proving ground, where milestones rose, trust deepened, and our pursuit of perfection continued to evolve. And that is what crowns our reputation as the Creators of Worlds. Because when a vision grows in scale, presence, and definition, it transcends beyond addresses and begins to create worlds.

02. A Gilded Legacy,
Evolving for
the **Aspirations**
of a New Era.

SOBHA gave scale a grander purpose in Bengaluru by crafting mega communities for multi-generational living.

Celebrated colossal developments in Bengaluru such as SOBHA City, SOBHA Dream Acres, and SOBHA Townpark, along with landmark mega communities across the country, stand as testaments to this mastery. These communities reflect the expertise that bring identity to expanse and meaning that every layer of shared living experiences.

Artist's Impression of SOBHA Dream Acres, Bengaluru

Yet for SOBHA, this pursuit was never finite. It pressed onwards, refining its craft, widening its imagination, and entering new dimensions of possibility. This is how Perfection in Scale came into being, an ever-deepening exploration of what community can hold, inspire, and become.

Today, that very pursuit enters a future-ready chapter, guided by a holistic design philosophy. It heralds a new generation of integrated mega communities, envisioned through Life-centred Design – planning and building with all life in mind.

*Here, living returns
to a sense of completeness.
Of balance within experiences.
Of exclusivity within togetherness.
To live deeply rooted yet nourished
by varied cultures...
proving that when we curate
the best, we finally find our way home.*

SOBHA
ONWORLD

A symbol born from the sacred geometry of the Flower of Life, reimagined in a spherical form to evoke a globe.
Its interwoven circles represent a constellation of worlds; each seamlessly connected as one.
A visual ode to SOBHA as the Creators of Worlds, celebrated for bringing infinite experiences within one vision.

**A thoughtful union of living,
working, and engaging
in a complete world.**

SOBHA OneWorld. Infinite Worlds in One.

Presenting SOBHA OneWorld, a landmark development of much scale and ambition that it begins to reimagine what a city itself can hold.

This new-gen integrated mega community is layered with a mosaic of experiences and indulgences inspired by the nuances of different continents – the urban sophistication of the Americas, the tropical stillness of Asia and the Mediterranean grace of Europe. Residential, commercial, cultural and retail realms exist within one master vision.

Built for the future, SOBHA OneWorld has been christened to draw meaning from that wholeness.

04. Greater Whitefield. The City's Eastern Arc of Tomorrow.

As the city's latest lifestyle corridor, this neighbourhood is marked by future-ready infrastructure. It remains closely linked to Bengaluru's key routes, employment hubs, and civic conveniences, while retaining the openness and developmental potential of a peri-urban expanse.

This positions SOBHA OneWorld with a distinctive advantage. It stays aligned to the city's pulse, yet possesses the physical breadth needed for a township of magnitude.

As an extension of Whitefield, Greater Whitefield stays well linked to KR Puram, while the route towards the airport strengthens wider connectivity. Established schools, healthcare, retail, and everyday essentials lend the locale a great social infrastructure.

An Iconic Gateway to the Worlds Within.

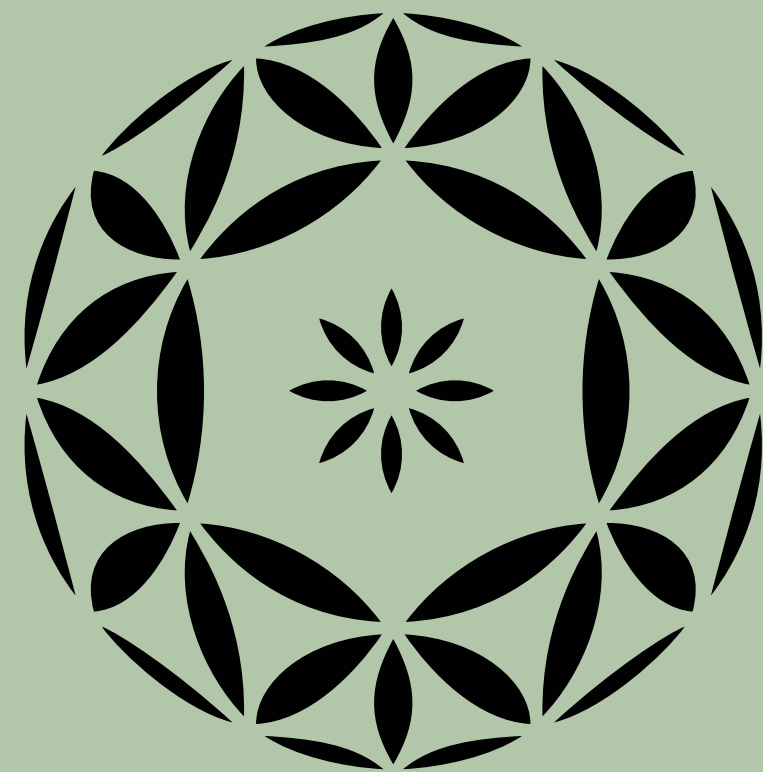

From the national highway, Old Madras Road, SOBHA OneWorld welcomes you with a grandiose arrival canopy. Designed as the initial point of transition, it guides residents and visitors from the pace of the city into a calmer, well-composed environment. 05. One Residences. A First of Its Kind.

Heralding a vision of originality and profound intent, these homes are envisioned as a statement of what living in the future transpires as. This magnanimous address gathers one of the tallest towers in the vicinity, offering residences with generous layouts, and refined arrival experiences.

Tapestry of Worlds, Woven as One.

SOBHA OneWorld hosts residential towers in a backdrop that is a journey in itself. It is a living realm where family, community, and nature unfold as a seamless continuum.

Six majestic towers define the SOBHA OneWorld Residences, each ascending up to 150 metres with a clean and contemporary design language. Its façades are carefully articulated and visually refined. This creates a sense of height that is admirable.

Light, air, and spatial efficiency are embedded into the planning, so that the homes feel open, and remain comfortable through the year. Every wing features a double-height waiting lounge, creating an inviting experience.

Five levels of organised parking further enhance day-to-day ease, with three basement levels and two elevated floors.
